Saturday Parade Will Herald Start of Bond Pledge Campaign

Redwood City Residents To Be Contacted Next Week

Heralded by a parade through the city's streets Saturday afternoon, Redwood City's biggest solicitation in history—in which every individual who can write his name will be asked to pledge to buy war securities—will start at 1:15 p.m. Sunday under a carefully worked-out plan as outlined Tuesday night in the city hall at a meeting of campaign workers. Similar campaigns will start in every other California community also on Sunday.

It was stressed that a pledge is desired by the U. S. Government from every individual—man, woman and child—as his or her part in the war program.

Although the man may be the breadwinner in the family, it is desired by Uncle Sam that housewives pledge to buy stamps or bonds also, and that kiddies do likewise. It was explained that a man and wife can make a joint purchase if they desire, but that they each should sign a pledge card, dividing the purchase equally or in any proportion wanted. However, it was stressed that it is the hope of the government that women will pledge to purchase securities in addition to those normally bought by the husband. It was pointed out that the purchases are actually savings, not donations.

PLANNED IN WASHINGTON

When some dissatisfaction was expressed by campaign workers at having to ask each member of the family to sign a pledge, instead of just the family head as has been the case in Community Chest, Red Cross, USO and other campaigns, it was pointed out that the procedure was outlined in Washington, not by the Redwood City War Savings Committee, and that as members of the citizen army, it was local citizens' duties to carry out the high command's orders, just as it is the duty of men in the army to do what their superior officers order.

A number of questions were clarified at the meeting:

Only residences—not stores—will be called on, although if there are living quarters in the stores, occupants will be solicited by the volunteer workers.

Men who have already signed up in payroll savings plans should repledge at home when called upon. Such a repledge will not require a double purchase, but merely becomes official in this May 24-30 campaign.

If a person has already signed up for purchases, and wants to increase the amount being put in, he should make his pledge for the combined amount, then make the additional purchases wherever he desires — through payroll deduction, at the post office or banks, or at stores.

Every pledge will be confidential, with only the solicitor and the U. S. Treasury knowing the amount, and solicitors are warned not to disclose any amounts to anyone. Reports to be made by Chairman John W. Brand and his war savings committee will list merely the number of pledges obtained — not the amount or names of pledgors.

Each canvasser will wear an identifying lapel button.

Each household where one or more pledges are made will receive a window sticker.

It was revealed at the meeting by Secty. Max L. Gelbert of the war saving committee that captains have been appointed for all Redwood City precincts.

They are as follows:

1, Louis B. Dematteis; 2, Fred W. Gibbs; 3, H. J. (Jack) Dunlap; 4, Earl Winchester; 5, Charles S. Padgett; 6, Royal Hedge; 7, Edward Del Monte; 8, Fred A. Schmitz; 9, C. W. Brizes; 10, Louis Lafayette; 11, Mrs. R. Lee Otis; 12, Rev. J. E. Marozik; 13, Clement R. Baume; 14, Mrs. Ramon Dimick; 15, John R. Prather; 16, Mrs. John W. Brand; 17, Mrs. Donald L. Bogie; 18, Mrs. Helen Potter; 19, Mrs. Esther Barnes; 20, James P. Hagan; 21, James Thornton; 22, Mrs. Bradley Martin; 23, S. B. Saboff; 24, Fred B. Walker; 25, Mrs. Bard S. Berry; 26, Mrs. Goldie Kesner.

Each captain will have a number of volunteers working under him—it is hoped. So far, there is a scarity of solicitors. Mrs. Max L. Gelber, in charge of solicitation, revealed this last night, exclaiming:

"Is there anything possible that can be done to get canvassers?"

Anyone willing to solicit Sunday afternoon and Monday evening may contact her at headquarters, 2521 Broadway, or telephone her at 2665.

HANDBOOKS FURNISHED

Each canvasser will be supplied with a handbook and other equipment by his captain, and given a list of homes to solicit. After each day's soliciation, canvassers are to report to their captains, who in turn are asked to report the number of pledges each evening to Mrs. Gelber at 2665 or Chairman Brand at 847-W, or turn in a report at the Broadway office. If any captain or canvasser needs advice, he can call Mrs. Gelber or Mr. Brand.

As many of the captains and solicitors as possible are urged to participate in the Saturday afternoon parade, which is being organized by Floyd F. McCue. Details remain to be worked out, but it is planned to have a sound truck in the caravan to boost the soliciation.

An aid to the campaign is a letter being delivered by Girl and Boy Scouts to each householder this week.

Marines Say R.C. Youth Is Missing in Action

Reported missing in action by the U. S. Marine Corps is Charles Weems, 21, the son of Cleo Ernest Weems who lives on 17th Ave., Redwood City.

A former pupil at Sequoia High School, Weems joined the corps in 1939 and was stationed in Honolulu and Shanghai before being stationed, just before war broke out, at Manila.

Marine Corps advises from Washington, D. C., said he had been fighting in the vicinity of Manila Bay at the time of the American surrender there and that since then he has not been heard of. No report of his death has been made, the corps said, and it is possible that he is a prisoner of war. Although warning that it may be several months before word is received, the corps promised that the family would be notified as soon as word came.

Living in Redwood City besides his father, who is a gardener in Menlo Park, are a sister, Mildred Weems, and three brothers, Ernest Cleo, 23, an employe of the California Floral Co., Richard, 25, an employe of the Safeway Grocery Co., and Lawrence, 15, a pupil at Sequoia. His mother, Mrs. Jessie Weems, lives in Arkansas.

Charles was born in Kansas and moved to California in 1934.

The colorful climbing shrub, bouganvillea was named in honor of a French navigator, Louis Antoine De Bougainville.

The first cooking stoves in the United States were marketed in 1830.

"Why, David—are you trying to say you want me to be co-owner on your War Savings Bonds from now on?"

Warren Saltzman Loses At Hobergs Contest

Warren Saltzman, Sequoia High School student who received medals last week for winning in county and Northern California divisions of the Native Sons of the Golden West speaking contest, is the second best speaker entered in the statewide competition.

In the finals at Hobergs in Lake County the local youth lost out to Carl Schultz of Los Angeles High School.

Saltzman spoke on the vigilantes of 1851 and of their part in the early history of San Francisco.

This year's achievement is a big step upward from last year when Saltzman lost in the semi-final competition.

SAN QUENTIN SENTENCE

Ben J. Genoese, 24, Burlingame, was sentenced to San Quentin for an indeterminate term by Judge Maxwell McNutt this week. Genoese pleaded guilty to charges of stealing Robert Vail's car in Burlingame

EAGLES NEXT SATURDAY; LEGION SALES—$4704

Redwood City Aerie 418, Fraternal Order of Eagles, will handle the War Bond and Stamp booth on downtown Broadway next Saturday afternoon it was reported at the campaign meeting last night. Last Saturday Redwood City Post 105, American Legion, sold $4150 worth of bonds (maturity value) and $554 worth of stamps at the two downtown booths it operated, Comdr. Clement R. Baume reported.

DRAFT EVASION

Tony Manriquez, 25, was held in San Mateo County Jail today for FBI authorities as a draft dodger. Authorities said he was inducted from the San Jose selective service board last week, went to San Francisco and skipped to the East Bay. Eagles Plan Initiation To Be Held Friday

Fraternal Order of Eagles, Redwood City Aerie 418, will meet Friday at 8 p.m. in the local IOOF Hall. Initiation ceremonies will be performed at 8:15 p.m. by Edward I. McAuliffe, president, and his corps of officers.

Plans are now being completed for the installation services to be held June 5, when James H. Johnson will take the gavel as the new president.

Annual poppies should be sown where they are to grow, and their seed may be broadcast whenever the soil can be loosened an inch or so deep with a rake. They stand freezing weather without injury.

Three towns in the United States are named Swiss.

Series of Routine Matters Considered During Meeting

The Redwood City City Council this week authorized expenditure of $7509 in gas tax income to be used with a proposed $4000 contribution from the county to widen Chestnut Ave. from Broadway to Bayshore Hwy. Expenditure of $9000 on Broadway to meet commitments to the National Motor Bearing Co. also was approved.

In other transactions, the council:

Granted an extension to June, 1943, to N. F. Nelson for payments due on two city lots because of his inability to secure priorities for proposed buildings.

Received assurances from Congressman John Z. Anderson that he would request investigation of the proposal to establish a classified post-office at Broadway and El Camino Real.

REFUSES WATER

Voted to refuse water service to a residence at 897 Redwood Ave. until sanitary requirements are met.

Cancelled $304 in tax penalties and costs against the Lillie Inouye property in Valota Park at request of Z. T. Thorning, who has acquired title and assured immediate payment of $1084.26 in taxes.

Heard the application of Russell Bros. Circus Co. to show at South Broadway near Chestnut St. June 2; took no action on the city attorney's report that payment of a $40 license and compliance with city regulations were the only requirements.

REQUIREMENTS RAISED

Upped insurance requirements of the privately owned city bus line from $5000 and $10,000 to $10,000 and $50,000 and recommended a similar raise for the Emerald Lake bus line. Over objections of Councilman Evans Fletcher the council declined to specify the classification of the insurance company.

Dropped a Recreation Commission proposal to move a building from the Central School on report of Councilman William M. Werder that the school board declined to approve such use, and of Dimmitt that the cost of moving the building would be nearly $3000.

Agreed to build bicycle racks for Southern Pacific commuters.

Dropped the request to rezone block one, Sweeney addition.

Refused the American Legion application for a waiver of the city carnival license to bring the Foley & Burke show to Redwood City July 14-20. Heard from W. H. Augustus, county clerk, that the United Spanish-American War Veterans had withdrawn a similar request.

Established a one-hour parking limit on city controlled parking lots. Maximum penalty for violation of the ordinance: $300 fine or 90 days in jail.

Authorized payment of $2309 to Mrs. Margaret Fleishman, widow of a city policeman killed on duty, as the pension payments due her to date under superior court judgment. The pension will continue at $60 monthly so long as she shall live and not remarry.

FIRE AGREEMENTS

Signed a civilian defense agreement for mutual use of Peninsula fire equipment in case of emergency.

Announced that six city officials would attend a Peninsula Division, League of California Cities meeting in South San Francisco Thursday.

Approved an agreement to open Cedar St. by paying $300 to H. O. Royce to move his house from the proposed right of way in return for a quit claim deed for required property.

SALARY TO WIDOW

Agreed to pay the entire April salary of Albert H. Mansfield, late city attorney, to his widow.

Refused water service to a house at 1712 Redwood Ave. pending condemnation proceedings.

Voted a letter of thanks to Mrs. A. S. Kalenborn, who resigned recently after 20 years of service as public library trustee.

Adjourned in memory of the late Carl Plump, for many years city clerk.

Mayor Granger appointed these committees: Insurance, Harold F. Anderson and Fletcher; real estate, Werder, G. W. McNulty, Dimmitt.

(Other council news on page 1).

Relief Man Is Center Of Complaint

Startling charges of dissension in the Redwood City police department were being pondered by city officials today after Councilman Carl Britschgi informed the city council that 10 members of the department had come to him with complaints.

Britschgi declared the complaints centered around the hiring of Joseph Rosa, veteran relief man for the department, at a wage which Britschgi charged was $90 for two weeks.

Acting Police Chief Stanley Wood said Rosa was the only experienced man available, and that he was paid the minimum scale of $153 per month. He was hired when Police Chief C. L. Collins was injured.

CITY IS HAMSTRUNG

Result of the flare-up was the disclosure that the city is hamstrung by present civil service and retirement pay provisions. Unable to attract qualified men within the 21-31 age limit, City Manager C. L. Dimmitt pointed out, the city must (1) lower civil service requirements, (2) raise the age limits, or (3) extend the present 90-day limit on temporary appointments.

It was pointed out that an age-limit change would affect the whole retirement system structure. Upshot of the discussion was to refer the whole problem to Paul McCarthy, city attorney and one of the original advocates of the merit system of employment and retirement pay.

Election of Councilman Floyd D. Granger as mayor for a two-year term was the first order of council business. Granger was nominated by W. M. Werder, who sacrificed his own aspirations to the position in the interests of harmony.

GRANGER ELECTED

"I place before the board the name of Granger because I am convinced this is no time for any of us to allow personal interests to enter the situation," he announced. "I believe Mr. Granger can and will do a fine job as mayor and as head of the civilian defense."

The election was accomplished in two minutes.

Mayor Granger, already holding the gavel temporarily, promised to give his best efforts for good government, and said he expected disagreement on the board but hoped they would be carried forward in good spirit. He predicted budget headaches, urged a "war bonus" plan for increasing city employes' pay, and scheduled a meeting of the city's civilian defense chiefs for Wednesday night to make certain that the city's obligations will be met.

The first general game law in Alaska was enacted in 1902.

Poppy Sale To Start Today

Everyone in Redwood City—no matter how young or how old, how small or how tall—can aid today and Saturday in a very real way, the men who are fighting this "war of survival" and the men who gave their strength to fight in the first World War.

"Poppy Girls" representing the American Legion and the Veterans of Foreign Wars organizations will have poppies for sale for everyone to wear. The funds collected will aid the disabled men of both wars.

In a proclamation issued today by Mayor Floyd D. Granger, every citizen is asked to help. It reads:

"Whereas, the wearing of the memorial poppy is a fitting and effective way of keeping bright the memory of those young men who give their lives in America's service in war time, and

"Whereas, men of Redwood City served gallantly in the World War and are now serving in the war to preserve our American way of life, and

"Whereas, the present national emergency requires the same type of unselfish patriotism displayed by the men of 1917 and symbolized by their memorial flower,

"Now, therefore, I, Floyd D. Granger, Mayor of Redwood City, do proclaim, Friday, May 22nd, to be Poppy Day in the City of Redwood City, and urge all citizens to observe the day by wearing the memorial poppy in honor of the men who died for America in 1917 and 1918, and the later heroes of the present war."

The crepe paper poppies distributed by the American Legion auxiliary are made by disabled war veterans working in government hospitals. When the auxiliary organized in 1921, the poppy was named as the memorial flower. Six hundred thousand poppies will be distributed in California.

The "buddy poppies" to be sold by members of the local Veterans of Foreign Wars post and auxiliary were made by veterans confined at Yountville and Sawtelle Veterans' Hospitals. The sale originated on a nation-wide scale in 1922, aids the national home for the orphans and widows of war veterans and for distabled and needy veterans and their dependents.

Army Lieutenant Suffers Injuries

A Lieut. Albert Stackpole, otherwise unidentified, was in Palo Alto Hospital this week suffering from a possible fracture of the pelvis, head and internal injuries as the result of what appeared to be a military secret.

Dr. E. F. Roth, Palo Alto, who treated the lieutenant, could give no information. Palo Alto Hospital said the man was stationed at a Coastside point, but had no details of the circumstances under which the lieutenant was injured.

Stackpole arrived at the hospital at about 9 p.m. There was no report of the incident at the sheriff's office or the California Patrol office.

One report said Stackpole was in a jeep when it overturned near Pescadero. He had been removed to Letterman General Hospital this afternoon.

Sequoia To Offer Ground Schooling

Basic training for pupils seeking to enter the air corps or go into aviation will be offered next year by Sequoia High School, S. S. Mayo, principal of the Sequoia night school and instructor in the day school, announced this week.

Correlating courses in mathematics, aviation physics, aerodynamics, navigation, meteorology, aids and safeguards in flying and a study of how an airplane flies, the new study is designed to prepare aspirants for Civil Aeronautics examinations and is not expected to teach them to fly, Mayo continued.

Skill in algebra, tables of square roots, graphic methods and physics will also be taken in the study.

Mayo concluded his announcement by saying that this new course was taken as part of the school's effort to co-operate with the army and navy in the preparation of pupils for war work.

★ ★ ★

Another phase of this co-operation is the construction of more than 20 model airplanes in school wood shop classes to be sent to Oakland airport for use in training air and ground personnel there in recognition, range estimation and determination of "cones of fire." The models will be used by both the army and the navy in connection with training "spotters" for civilian defense.

The woodshop course is under the direction of Robert Poole, teacher.

Highlands Association Adopts Fire Program

Taking steps to prevent fires during the dry Summer season, members of the Highlands District Improvement Association today are making plans to co-operate with Fire Warden Bert Werder in burning off inflammable areas in their district.

The services of the adult male residents will be required, in addition to the defense auxiliary fire force already organized. Young men taking fire protection courses would co-operate as part of their courses and credits.

At this week's meeting of the association at the home of Director L. B. Bingley on Vista Dr., Earle C. Palmer resigned as secretary-treasurer because of pressure of other duties.

By-laws were amended to separate the office to recording secretary and treasurer, and corresponding secretary. A. J. Bullerdieck was named secretary-treasurer and John E. Barricklo was chosen corresponding secretary. J. M. Houweling was inducted as director to fill the unexpired term of the late George H. Lent.

Chairman Richard tum Suden was authorized to interview the state railroad commission as a step toward solution of the growing need for adequate bus service for residents of the district.

MENLO PARK NEWS

BY D. E. O'KEEFE

MENLO PARK—On account of the constant business growth of the local post office a clerk and another carrier will have to be appointed from the eligible list. Postmaster Morey will make the selection subject to the approval of the Postmaster General.

★ ★ ★

This evening at the Central School the Native Daughters will hold a card party and good prizes will go to the winners.

★ ★ ★

Owing to the scarcity of dwellings in Menlo Park many persons intending to locate here are compelled to seek cheap homes in Palo Alto, where there are many.

★ ★ ★

George Phelan of Sacramento has bought a home in Felton Gables to which he will move his family soon. One of his daughters is attending Stanford and is majoring in law.

★ ★ ★

Charles May, his wife and two daughters have located in Menlo Oaks where a pretty home has been established. The girls are to attend Stanford.

★ ★ ★

It is rumored a two-story building is to be erected on the corner of Oak Grove Ave. and the highway very soon. The lot has been vacant for a long time. It is owned by a Redwood City attorney.

The Doyle building on the corner of Santa Cruz Ave. and the highway will soon be demolished to make way for the new highway that is now being constructed through town. The Menlo Grocery will move to the Larrecou building and the lodges occupying the upper story will most likely be housed in the Kuck building. It is understood the Doyle heirs will not rebuild, at least for the present.

Toastmasters Discuss Post-War Problems

Post-war problems were discussed at last night's meeting of the Redwood City Toastmasters Club. Speakers were James Thornton, James Hagen, Earl Whitaker and Fred Schmitz. Chairman for the evening was Fred Gibbs.

It was announced Floyd Elson, vice president, will soon enter military service and plans were made for a "Scotty Elson Night" next Monday evening.

Ravenswood To Give Raid Warden Classes

For women of the Ravenswood School District, an air raid warden school of instruction will be conducted at the school on Friday afternoons of this week and next—May 22 and May 29—beginning at 2:30 o'clock.

All women of the community who wish to serve as day air raid wardens are asked to sign registration lists at either the Ravenswood School or the Armstrong & Ashford Grocery.

There must be at least 20 registrants in the class.

Bel Canto Spring Concert Pleases San Franciscans

BY STAFF REVIEWER

Music critics and patrons acclaimed the fourth annual Spring concert of Redwood City's Bel Canto Chorus as they gathered Sunday afternoon in the Scottish Rite Auditorium in San Francisco, to enjoy and applaud the artistry of a group of this city's finest vocalists. Outstanding were the tonal quality, enunciation and fine musical balance of the entire chorus and particularly of the soloists, George Prall, Helen Lawson, A. H. McGovern and Eugene Fulton of Redwood City and Peggy Turnley of Hollywood.

Delightful in the part of the young lady in the Kentucky folksong, "One Morning in May" (Horton) was Mrs. Lawson, soprano, who caught the light humor of tale of the hill folk. George Prall, tenor, sang the role of the soldier in the selection and the chorus provided the background.

Singing "The Rose of Tralee" (Glover-Fulton), A. H. McGovern was able to give full sway to his fine Irish tenor voice. Fulton, director of the chorus since its inception, sang several baritone solos, showing his prowess in the spiritual, "Joshua Fit de Battle of Jericho."

SINGER PRAISED

Miss Peggy Turnley, of whom Alexander Fried, music critic of a San Francisco paper, writes that "The general warmth and freshness of her voice were remarkable in a range that descended to almost contralto depths," appeared with the chorus for the third time. She drew her program from the masters' pens including "Vissi D'Arte" (Puccini), "Widmung" (Schumann), and "O, Quand Je Dors" (Liszt).

Enthusiastically received were the two selections rendered by the chorus, which won for it the Walsh Ensteddfod award in the Treasure Island competition in 1939. They are "Hallelujah Chorus" (Beethoven) and "Laudamus"—Songs of Praises (arranged by Protheroe).

THREE A CAPELLA NUMBERS

The 60 members of the chorus proved their versatility when they offered three a capella selections, marked for their vocal facile and warmth of tone. These included "How Blest Are They" (Tschaikowsky), "O Vos Omnes" (Vittoria) and "O Lovely Heart" (Robertson).

Of Eugene Fulton, director, Alexander Fried says he "is an intelligent, excellent leader." Four years ago, Fulton shaped a chorus of 30 voices, and the first concert was given in December of 1938. Today, after appearances here, in San Mateo, at Stanford University on Treasure Island, in San Francisco and over the air, the group has continually won praise for its work and programs.

Clarissa Bray is the accompanist. Rex Uhl was Miss Turnley's accompanist.

DRILLS PLANNED

City civilian defense leaders today predicted that a large bloc of civilian defense volunteers will be eligible for federal certification after a series of drills and classes this week. First class is scheduled for 7:30 p.m. today at Central School in gas instruction.

Fire Alarm Whistle Gets New Workout

Redwood City's steam fire whistle was back in service as a fire alarm this week for the first time since the bombing of Pearl Harbor on Dec. 7. The whistle had not been used since that time to avoid conflict with the air raid signal.

Redwood City firemen were called to extinguish two grass fires, one at Cassia St. and Middlefield Rd. at 2:08 p.m., and one at Bonita Ave. at 2:44 p.m.

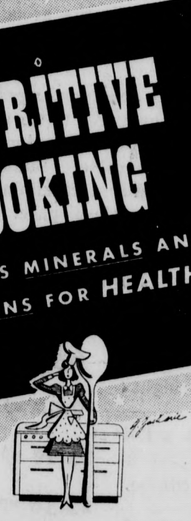
NUTRITIVE COOKING
RETAINS MINERALS AND VITAMINS FOR HEALTH!



Vitamins and Minerals...

Here's how to cook and boil them, so as not to waste and spoil them:

1. Use little water. Start vegetables in boiling water.
2. Cook slowly so as to steam through.
3. Cook vegetables as nearly whole as possible. Do not stir.
4. Prevent shrinkage of meat with low-temp roasting.

HOMEMAKERS throughout America are enlisted for the duration of the war to carry on with Nutritive Cooking.

Nutritive Cooking means just one thing—getting the most out of food that is cooked. *Proper cooking retains vitamins and minerals that are in all foods. Improper cooking boils out or destroys these body-building food energies.*

Follow the recipes and the menus in your local newspaper and in national magazines that tie-in with the National Nutrition program. Buy food wisely. Store it right. Cook it properly. Take good care of your present range so that it will carry on efficiently and economically for years to come.

Display of Skating

Here is one part of the new Ice Follies show.

Ice Follies Will Return For Limited Engagement

Ice skating celebrities of the United States, Canada and Europe will return to San Francisco to present the latest edition of their great ice spectacle, the Ice Follies of 1942, which will open at Winterland, Thursday, May 28, for a limited run.

Bigger and more brilliant than ever, the dazzling ice revue will be seen in an entirely new edition.

New Stars have been added to the already star-studded cast which has delighted thousands here during the past three years. Routines are new, music is new and all of the acts are new. There are now one 103 skaters in the show.

Shipstad and Johnson have blended into their Ice Follies of 1942 the beauty and gaiety of a royal court, the fun and frolic of a circus, the fantasy of dreams, the excitement of a Mexican fiesta and the masterful skill of the world's greatest ice skaters.

Producer-stars Eddie Shipstad, Oscar Johnson and Roy Shipstad again head the cast, with all-new presentations. Beauteous Bess Ehrhardt is again being starred, as are Ruby and Bobby Maxson, Papez and Zwack, Osborne Colson, Fran Claudet, the McKellen brothers, the Galbraith brothers, Mae Ross, Phyllis and Harris Legg and others.

New to San Francisco audiences will be the inimitable Heinie Brock, the Thomas twins and Norah McCarthy. Brock does hilarious clowning and heckling with a fantastic style of skating which is one of the big hits of the show on its Eastern tours. The Thomas twins are an amazingly identical pair whose duplicate skating feats have drawn them quick acclaim. Norah McCarthy was last year's Canadian senior champion and is rated one of the best skaters in the world.

Tickets for the blade entertainment are now available at Winterland.

Redwood City Plans Parade

Honor to the nation's war dead will be paid by Redwood City and surrounding communities on Memorial Day, May 30, with a program at the Sequoia theater and a parade to Union Cemetery at Five Points on El Camino Real.

Speaker for the program, which will start at 10 a.m., will be Atty Gen. Earl Warren, candidate for the office of governor in the coming elections. According to Floyd Granger, chairman of the Memorial Day Committee of the United Veteran Council, Warren will speak on "The Value of Memorial Day."

PLANS ADVANCED

In furthering his plans for the affair, Granger today requested representatives of all patriotic organizations to contact him at the earliest possible date as to the part each association will play.

Although the program is as yet unannounced, the chairman said it would include the Sequoia High School marching band, school children and members of the veterans organizations.

Following the theater program which has been arranged through the co-operation of the Fox-West Coast Theaters, the parade will form at 11 a.m. Route of march is to be decided.

RITES AT CEMETERY

At the cemetery military and devotional rites will conclude the morning events.

Included in the United Veterans Council are the United Spanish War Veterans, the American Legion, the Veterans of Foreign Wars, the Womans Relief Corps and Women's auxiliaries to the first three bodies.

"We will attempt to make the parade as much of a foot group as possible in line with the federal curtailments of motor travel," Granger concluded.

Local Realtors Record $100,000 in Sales

More than $100,000 worth of sales is the record announced for the past few weeks by Clyde Reid and Co., local realtors. Reid reports that with the advent of the motor bearing plant here and through defense activities, demand for properties is continuing despite army, navy and war work transfers.

Included in the sales completed by Reid are a Spanish home at 921 Arlington Rd. to Dr. R. W. Burlingame of San Francisco for the account of L. J. Simon; Atherton property on Linda Vista Ave. to Mr. and Mrs. Frank Mahogany of San Francisco for the account of Blanche Gaffney; a residence at 926 Hudson St. sold to Lawrence H. Nightingale as buyer; a small ranch-house at 730 Katherine St. was bought by E. William Blackwood for the account of J. Judy and Frank Sericano.

Three other houses sold include a house on Santa Clara Ave. near Selby Ln. to Joseph H. Bergman, for the account of C. A. Beck; a house at 228 Topaz Ave. to Mr. and Mrs. H. Garms for the account of Emily Sherman; and a five-room house on Marlborough Rd. to H. Penner of San Francisco for the account of C. Wentz.

Circus on Its Way To Ease Tension of Wartime

Bringing an interlude of joy and cheer to relieve the tension of troublous times, Russell Bros.' Great 3-Ring Circus, one of America's largest, will exhibit at South Broadway and Chestnut St. in Redwood City Tuesday, June 2.

Russell Bros., highly popular for the last decade in the East and Middle West, launched its 1942 tour to the acclaim of tremendous crowds in Los Angeles and Hollywood, and plans to visit all the leading cities of the Western states during the current season.

Among the stellar features on the all-new star-spangled program are Winston's Equestrian Sea Lions which perform incredible feats of balance while riding horseback, Jorgen M. Christiansen's marvelous South American Criollo horses, the Skyrocketing Escalantes, the Sensational DeWaynes, the Four Acevados, the Aerial Alexandros, the Bell-Thazer Troupe, the Grace Orton Trio, the Clarkonians, and many other top-rank aerial, acrobatic and arenic artists.

Additional trained animal features include performing elephants, outstanding high school dancing horses, cunning military ponies, White's leaping Greyhounds, the world's only troupe of trained Great Dane dogs, and Barney, chimpanzee star of "Tarzan" pictures.

The performance opens with a great patriotic spectacle, "United for Victory." A special attraction in the menagerie is Congo, a gargantuan ape weighing upwards of 250 pounds.

Doors open at 1 and 7 p.m. to allow time for the wild animal displays and horse fair in the menagerie before the start of the big show at 2 and 8.

Jury Asks More Evidence In Daly City Shooting Case

Failure of the grand jury this week to vote a murder indictment against George Pavlogianis, 44, Daly City cook charged with the apartment house slaying of William Lee Fuson today forced the district attorney's office to seek additional witnesses.

James B. Howell, foreman of the jury, announced that after hearing testimony of Daly City Police Chief James G. Reardon, Policeman Joseph Kusper, Autopsy Surgeon James F. Rinehart, and Mrs. Clara Parriott, previously known as the wife of the victim, the grand jury continued the case to 7:30 p.m. Thursday.

Mrs. Parriott broke down after leaving the witness stand, it was disclosed. It was she who signed the murder complaint against Pavlogianis.

The district attorney's office was instructed to summon certain additional witnesses, it was learned.

Pavlogianis, once named in an insanity complaint filed by his brother, Peter, is accused of shooting Fuson, also known as Robert Darnell, Apr. 26, at the door of his Daly City apartment. He is held in county jail without bail pending preliminary hearing originally set for Friday. An indictment by the grand jury would eliminate the justice court proceedings.

After the Pavlogianis case witnesses left the jury room, John A. Lynch, former county supervisor who is now chairman of the county's tax deeded land committee, explained the work of his office, Howell said.

According to Howell, Lynch claimed that his committee will have recovered $30,000 in delinquent taxes by the end of next month, in addition to restoring $200,000 in assessed values to the tax roll. He said there are about 9000 parcels in the county yet to be reclaimed.

The jury asked Lynch to present a more detailed report.

Despite the war Rotary clubs are carrying on in Sweden, Finland and Switzerland.

Elson Gets Appointment As Air Corps Instructor

E. Floyd (Scotty) Elson, public speaking teacher at Sequoia High School for the past 2½ years, has been appointed as an instructor for the U. S. Army Air Corps and plans to leave for Santa Ana early next week to take up his new duties.

Elson, a member of the Exchange and Toastmasters Clubs, has recently headed the speakers bureau of the Redwood City War Savings Committee.

In his new work, he will teach mathematics and possibly other subjects, and expects eventually to be commissioned in the army.

Mrs. Elson, receptionist at the Monteith Clinic, plans for the time being at least to remain in Redwood City.

Burglar Nets $70 At Coast Electric

A safe in the Coast Electric Co., 1783 Broadway, Redwood City, left unlocked over the week-end, yielded $70 to a burglar it was discovered this morning by Louis Rolla, one of the proprietors, when he opened for business.

Entry was forced through a broken rear window, police said. The burglary was reported at 8 a.m.

In the "Grotto of Horror"

The shocking story of a fiend who sacrificed other men's brides for the sake of the woman he loved is revealed in "The Corpse Vanishes," starring Bela Lugosi at the Fox Sequoia theater. This picture and another horror film, "The Man With Two Lives" will terrify Sequoia patrons on Friday.

30 Merchant Vessels To Be Launched Friday

WASHINGTON (AP) — A great mass launching of 30 merchant vessels Friday will inaugurate the new two-ships-a-day production program of the maritime commission.

While the large number of ships will go into the water as part of the National Maritime Day ceremonies, Chairman Emory S. Land said none had been delayed to group them on that day. The previous record was set last Sept. 27 when 14 ships went down the ways.

The program now calls for the building of some 2300 vessels of 23,000,000 dead weight tons this year and next.

The Osaka-Kobe area is the important industrial center in Japan, producing ships, tanks, planes, guns and explosives.

Donovan Praises Fourth Registration

Brig. Gen. J. O. Donovan, head of selective service in California, today lauded officers and voluntary assistants of Selective Service Board 106 for the efficient manner of handling the fourth registration.

"In my estimation it was the most successful of all the registrations California has had," said General Donovan. "I share your pride in being part of an organization that is contributing so much to the war effort."

Laundry Owners File Incorporation Papers

SACRAMENTO (AP)—The San Mateo County Laundry Owners Association, a non-profit organization, have filed articles of incorporation with Secty. of State Paul Peek.

The group proposed "to secure collective action by employers and groups of employers to the end that stable, peaceful and harmonious relations between employers and employes be promoted and established."

Listed as directors were Victor Dutilh and E. J. Chanteloup, San Mateo; David L. Aitken, San Carlos, and Elmer W. Hunt and J. M. Hurethere, Burlingame.

DEEDS RECORDED

California Pacific Title & Trust Co. has recorded deeds to two Hillsborough homes in transactions representing approximately $45,500. First was the purchase of a $19,500 Uplands home by Mr. and Mrs. Robert Roos Jr., the second the acquisition of a $26,000 Newhall Manor home by James E. Fickett and wife of San Francisco.

Petal Pageant

Rally Planned On May 30

A new chapter of patriotism and pageantry will be written into the pages of San Mateo County history during the Memorial Day week-end with the staging on May 30 of the second-annual Pageant of Petals, a giant War Bond Rally centering in the City of San Mateo.

The county-wide event will be participated in by organizations from San Francisco to the south end of the county, and from as far west as Half Moon Bay.

Its purpose will be to stimulate the sale of War Bonds, dramatize the appeals of the USO, San Mateo County Blood Bank and Red Cross, and to show the strength of the county's civilian defense forces.

Included on the Pageant of Petals program will be the San Mateo Gymkhana Club's horse show to be held at the club's riding ring on West 20th Ave. under the general chairmanship of Mrs. Gerald Gray of San Mateo. Also billed is a flower show at San Mateo's Baywood Theater, May 29, 30, 31, and a victory dance staged by the San Mateo Lions Club on May 29 at the New Deal Club, 50 North B St., San Mateo.

'Keep 'Em Playing' Is Symphony Slogan

"Keep 'Em Playing" is the byword of the San Francisco Symphony Orchestra as the news of the midsummer concert series, to be held from June 30 to Sept. 1, is released. "Pop" concerts, modeled on the Boston "Pops," will be programmed every Tuesday evening in San Francisco's War Memorial Opera House.

The series opens June 30 with a gala "Radio Night," featuring Meredith Willson conducting radio favorites and excerpts from his own compositions. Other guest conductors already signed include Efrem Kurtz, Georg Szell, Charles O'Connell, Hans Wilhelm Steinberg, Walter Herbert and Jose Iturbi.

Season tickets are now available at the Opera House, Civic Center, San Francisco, and at the Sherman Clay and Co. box office, Kearny at Sutter, San Francisco.

Tires in Bible May Be Different

EDITOR:

I read a quotation from the Bible that has been worrying some people. It was in the daily papers—"In that day the Lord will take away the tires from the people." The people who haven't read the Bible very much, or Shakespeare, or haven't even a small dictionary, have jumped at the conclusion that Prophecy by Isaiah—3 chapter 18 verse, or 2 Kings 9-30, whichever was quoted by the newspaper in above sentence, was now being fulfilled; and therefore we were in the last days and the Judgment of God was upon all nations — for it is true that auto tires are being taken away from the people.

While I would prefer to think we are in the last days, it is not a proof of it because governments are taking auto tires away from the people. Read all of Isaiah. Even a 50-cent or $1 dictionary will give a person several meanings for the word tire, and usually the last meaning, or even a different word but spelled the same, is shown, as the iron or rubber hoop that binds the other parts of a wheel to make the tread or rim of it.

However, it is a good thing that our President has ordered a million New Testaments to be distributed to the soldiers and sailors, for there is plenty in that part of the Bible, about woman's dress and manners on the street and in the home, that they may hear about when the boys talk to them about the Bible, and we trust they will. . . .

Horsemen's Group To Dance Saturday

Members of the San Mateo County Horsemen's Association will sponsor a dance Saturday at the New Deal Civic Club at 50 North B. St. in San Mateo to raise funds for the purchase of equipment for the Mounted Troop, a group of horsemen organized to render aid via horseback in event of emergencies.

Starting at 9 p.m., the dance will offer 50 door prizes including a saddle.

Both members of the troop and the association which will receive a part of the resulting funds are selling tickets.

Going places together

From one swiftly completed task to another goes the telephone man. He is aided by an organization of 40,000 men and women. A fleet of more than 3800 trucks and cars helps him to do the biggest job he has ever tackled.

Last year, in the territory in which this Company operates, he put in, took out and moved 1,162,592 telephones, strung 29,315 miles of telephone wire, installed 1,055,943 miles of wire in cable.

Telephone men and women are on the PRODUCTION LINE and on the FRONT LINE. The Nation depends upon them. They will do their level best. YOU MAY COUNT ON THEM.

750 Scouts Will Attend Flood Park Camporee

Advance registrations at Boy Scout headquarters indicate a record total of more than 750 scouts will pitch their tent city in Flood Park, Atherton, Saturday and Sunday for the 1942 Council Camporee. Twenty-five scoutmasters and Camporee committee members met last week at headquarters under the leadership of general Chairman J. V. Christie to make final plans for the event.

Committees reported preparations all in readiness for emergency service contests, the traditional giant Saturday night campfire, religious services for all faiths on Sunday. Hundreds of scout parents and friends will be welcomed to the Camporee grounds during the two days of the competition which opens at 9 a.m. Saturday and closes Sunday at 3 p.m.

To reach Flood Park, drive south on Bayshore Hwy. from Redwood City to the Southern Pacific Underpass. Turn west off the highway immediately at the southern end of the underpass. Drive only one block into the park to the Camporee.

Christie today urged the troops which have as yet failed to register to do so immediately as campsites are being allocated in order of registration and only registered campers can be sure of receiving the official Camporee emblem.

MOUNTAIN CAMP PLANS PUSHED

With several scouts already registered for Mountain Camp at Kit Carson Pass, opening July 25th, Camp Director Edward A. Barrer, today urged early sign-ups for the high altitude trek, as the camp roster is limited to 50 members. Scouts must have had at least one week at Camp Pescadero, be Second Class, and hold the Cooking and Swimming Merit Badges to enroll.

CAMP PESCADERO TRAINING PLANNED

Emergency Service Corps training, in addition to the regular scout offerings, will be featured by the educational department at Camp Pescadero this year. Eagle Scout Cecil Wells, of Redwood City Troop 160, will serve as Educational Director. An agility developing obstacle course, rope climbing apparatus, mile run course for senior scouts, and several additional equipment features will be available to prepare older scouts for membership in the National Emergency Corps.

Wells this week instructed all scouts to turn in merit badge pamphlets still loaned out of the council library, so they may be shipped to Camp Pescadero June 1st.

ORGANIZATION WORK EXPANDS

Central division troop organization Chairman Ferd Prince will meet a group of new committee members tonight at scout headquarters at 7:30 to draft plant for meeting situations arising out of loss of leadership in several tri-cities scout and cub units. Southern Division Chairman Louis C. Christensen met with a similar group at his home in Redwood City last week. New members of the Southern Division Committee are Father Thomas McKeon, and Tom Dolan, Menlo Park; Henry Glaves Sr., San Carlos; C. C. Brizee, Albert Morgan Jr., and Jack Welch, Redwood City.

EXPLORER TROOP 151

The new Council Explorer Troop 151 headed by Barney Williams, met this week at scout headquarters to map plans for special emergency service duties. The troop is a mobile unit, open to all scouts throughout the council, and is training for special disaster services. J. V. Christee, Philip N. Lilienthal Jr., and John F. Linden, are the troop committeemen.

TROOP 160, REDWOOD CITY

Explorer scouts presented colors at the War Savings' Bond show recently. Second and first class scouts ushered and gave out programs, with many other scouts present in uniform. Scouts in the color guard were Cecil Wells, Bob and Paul Lawrence, Howard Williams, Earl Connolly, and Ercole Crone. The following officers were recently elected: Cecil Wells, Howard Williams, Paul Lawrence, Augie Schwartz, Alan Collins, Philip Karns, and Sam Winklebleck.

TROOP ACTIVITIES

Sixteen Sea Scout leaders from all parts of the county attended the monthly training session and breakfast held last Sunday morning at the Redwood City Yacht Harbor. Skepper Hu Tipton and Ship 73 of San Bruno were hosts.

Pack 15 committeemen of Redwood City John Gill School met last night at the home of PTA President, Mrs. Merland Bell.

Reorganization of Woodside Troop 159 will be accomplished Friday night at a meeting of interested dads and scouts in the grammar school.

San Carlos Chairman Of USO Campaign Dons Stovepipe Hat

SAN CARLOS — Because other organizations are using all the available house to house canvassers for their financial drives, H. B. Cook, United Service Organizations drive chairman, has taken to advertising his drive personally by means of a stovepipe hat, baggy trousers, no coat and a baby carriage.

Using these "props," he tours the Southern Pacific railroad platform every morning as commuters board trains, hawking his drive and admonishing them with a sign, "Let's raise it," painted on the USO baby carriage.

Started on May 12, the drive to date has taken in $52 of a $1500 goal but Cook said this morning that the flow of cash seems to be increasing.

The drive will last until July 4 and Cook said he would continue his appearance until then. Collection headquarters are at 626 El Camino Real.

Mrs. Erma Flores Promoted To Major

Promotions on the officers' staff of the Redwood City Woman's Motor Transport Corps see Mrs. Erma Flores elevated from the rank of captain to major. Marjorie Stewart is the new captain of the Redwood City group.

Other promotions include Fay Gelb to lieutenant adjutant; Catharine Dean to staff lieutenant; and Edith Lauthbury to staff sergeant.

Edith Doran is the new captain of the Menlo Park unit of the corps. Both the Redwood City and Menlo Park units are sponsored by the Corp. James Lindsay Wilson Post 2310, VFW.

Automobile wrecking firms in Canada have been ordered to dismantle all cars on hand to sell the resulting scrap, the Department of Commerce says.
